

Solar-powered and motion-activated, this little **FROSTFIRE LED LIGHT** illuminates sidewalks, steps, and stoops—no wiring needed. \$29.99; [frostfireusa.com](http://frostfireusa.com)

## WELCOME HOME

Make your home smarter, safer, and more connected with these front door finds.

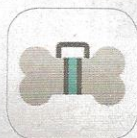

The **DOORBOT** video doorbell is like having a peephole on your smartphone. It lets you see and speak to whoever is ringing, whether you're at home or on vacation. \$199; [getdoorbot.com](http://getdoorbot.com)

The **PEBBLE SMART DOGGIE DOORBELL** lets Fido give you the signal when he needs to go out (or come back in). A snout-friendly pad and training tips make it easy. \$28; [pebblesmart.com](http://pebblesmart.com)

*Pebble Smart*  
Doggie Doorbell

Antimicrobial-treated **DR. DOORMAT**, below left, traps dirt, germs, and toxins hiding on your shoes and keeps them from entering your home. \$26.99; [drdoormat.com](http://drdoormat.com)

**DOG VACAY**  
Find your dog a sitter so he can play while you're away. [dogvacay.com](http://dogvacay.com)
