

## RETAILERS' CHOICE AWARDS 2013

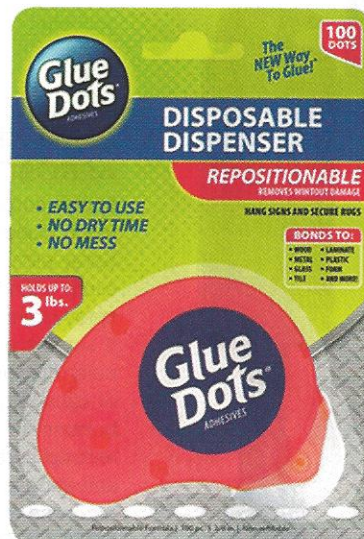

### ADHESIVE DOTS

feature repositionable, multi-purpose and heavy-duty formulas. Glue Dots® adhesive instantly bonds to virtually any surface without the mess, expansion or dry time of traditional liquid glues. Glue Dots are available in multiple adhesive formulas and application formats.

### TREATED DOORMAT

is the perfect home environmental tool for pets and families. Wiping shoes thoroughly on the treated surface (at least twice) can remove up to 90 percent of debris from shoes. The specially formulated antimicrobial chemical is infused into the yarn, creating a positive biostatic barrier on the entire surface that disables odor-causing microbes like bacteria, mold, or fungus on the mat. Dr. Doormat maintains its efficacy up to 20 washes.
